Printing Reading Materials Checklist

1. Before You Begin

- Access a computer (best for printing)

2. Log In

- Go to theconnectapp.com/app
- Enter your username and password
- Check Remember Me and
- Save your password if prompted
- Bookmark the CONNECT link

3. Confirm You're on the Home Page

- You should see the CONNECT Home Page
- If not, open the caret menu; select Home
- If you see "Please wait for activity to begin," click the caret menu, click Yes, then Settings, and switch Mode from Player to Leader

4. Select a Reading Activity

- From Home, tap One-on-One or Connect or Cast to Large Screen TV
- Select Reading Nook
- Choose a Reading Activity: Insight Articles (Level 1=Early Stage) or Viva Stories (Level 2=Middle Stage)

5. Select a Story or Article to Print

- Browse by category, view all titles, search, or tap Choose for Me

6. Print the Activity

- Tap the print icon next to the title of the story/article

IMPORTANT NOTE:

- Never print double sided, as this can be very confusing for people with dementia
- Give each person a copy of the story / article
- Take your time and engage!
